

Le Cirque Du Bout Du Monde

techniquial requirement for the show « NESTOR »

Being a solo piece that incorporates juggling and tightrope walking, « Nestor » integrates physical theatre, poetic circus and subtle clownery. The mute and naive Nestor explores the space with audacity, sometimes clumsiness and always encouraged by his curiosity to construct a world out of his dreams. A visual play rich in poesie and musicality

creation date: December 2013

duration of the show: 35 min.

audience: 30 - 400 spectators

staff: 1 artiste and 1 stagehand

assembly time: 2 hours + 2 hours of preparation

reduction time: 1,5 hours
